

LOCAL BREVITIES.

J. A. Virehaves has filed suit for divorce from his wife Lina Leland on the ground of marital infidelity. The trial will probably be contested.

The Hawaiian band will play this morning at the departure of the steamer W. K. K. and probably when the steamer leaves also. In the evening it will play at the tug war at Athletic Park and Sunday at the same place for the ball game.

A change in the management of the Nippon Club is said to be contemplated. E. A. Soga, who was in charge during the higher wage campaign agitation, is to leave. It is reported, and a new editor may be brought from Japan.

Bishop Edwin H. Hughes, who has been conducting the annual meeting of the Methodist Episcopal Church, will address a union mass meeting at Central Union Church on Sunday evening at half past seven. Bishop Hughes was, until recently elected bishop, president of De Pany University, and is widely known throughout the States as one of the ablest of platform orators and lecturers. The subject of his discourse Sunday evening will be "The Allness of Christ."

PERSONALS.

Attorney D. L. Withington leaves for the mainland on the Wilhelmina on a business trip.

K. Naito arrived from Japan yesterday to become a member of the staff of Consul-General Uyeno, the Japanese emperor's representative here.

H. C. Taft, a close relative of the President who has been visiting here with his bosom friend, Mr. Witherbee of Port Henry, New York, leaves for San Francisco today on the Wilhelmina.

A. D. Larnach, the attorney, formerly a member of the attorney-general's department, leaves in the Wilhelmina today en route to England to visit his father. He will be accompanied by Mrs. Larnach.

W. A. Bowen of Castle & Cooke, and who was until recently chairman of the promotion committee, leaves today in the Wilhelmina on a tour which will last about six or eight months. He will visit a number of cities in the East where he has family associations. He will be accompanied by Mrs. Bowen.

Jesse H. Buffum—not "Josher Buffum"—is booked to leave for the Coast today on the Wilhelmina. Mr. Buffum achieved fame by a highly protechnic narrative of an alleged descent into the crater of Kilauea, telling that he went to the very edge of the fiery pit while the crests of lava waves broke over his head, through which he passed unscathed.

NEW PHONE NUMBERS NOT READY TILL APRIL 15

Company's Office Force Is Arranging for Allotment.

The new numerical designations for telephone subscribers will not be announced until April 15. The office force of the phone company is now busily engaged arranging the new number system, but there is a lot of clerical work to be done before any numbers can be allotted. Yesterday the company had scores of calls from persons anxious to ascertain their new numbers, but in each case the answer was given that no numbers could be allotted until April 15.

NOT A HONOLULU MAN.

An evening paper publishes the following as referring to a "Honolulu boy":

"Prof. W. E. Castle of Harvard announced to the Boston Scientific Society that he expects that soon the breeding of the human species can be accomplished along scientific lines and that characteristics may be determined in advance."

The Professor, Castle referred to is not a "Honolulu boy," and is not related in any way to the local Castle family. The Honolulu Castle at Harvard is W. R. Castle, Jr., a son of W. R. Castle of this city.

TEN, TWENTY, THIRTY

IS CUT IN HALF

Owing to so many counterattractions, Manager Joel Cohen of the Orpheum theater has decided to inaugurate an era of low prices for the theater, and hereafter reserved seats will be fifteen and ten cents and the gallery five cents.

The Orpheum bill just now is headed by the diminutive English comedienne Toby Claude, she of the Broadway successes of a few years ago, and even now a mainland headliner. Leo Cooper and company are equal in prominence on the program, and their one act sketches are among the most powerful, intense and gripping that have ever been shown at the Orpheum.

Manager Cohen advertises two shows each night, the first to start about seven thirty.

WHAT THE PRESS AGENTS SAY

Last Time Tonight.

Tonight will be the last performance of "In the Bishop's Carriage," and the play has been more than a success. Mr. McRae is more than pleased with the support given his company for the first week, and in anticipation of its continuance, he is now arranging for some new plays on which the royalty is high and will give the theater patrons of the city the best to be had in the line of high-class plays. One of the big successes arranged for will be "When Knighthood Was in Flower." The order for the costumes was mailed yesterday.

On next Monday an excellent production of that sterling play of New England life, "Shore Acres," will be offered and patrons are assured of the usual McRae production.

A special matinee for the ladies and children will be given this afternoon, and all tickets point to a packed house.

Darrach's Recital.

Shakespeare recitals, Tuesday evening, "A Mid Summer Night's Dream"; Thursday night, "Hamlet." Mr. Marshall Darrach, the greatest Shakespearean reciter in the country, will recite the plays from memory at the Alexander Young Hotel at 8 p. m. All will remember his recitals that were given in Honolulu last year.

Cops on Strike.

Mention was made in this column yesterday of a film to be shown at the Park Theater, but the name of the picture was omitted. "The Cops on Strike" is the picture to be shown in the place of amusement tonight.
